Our primary mission is to raise funds for awarding scholarships to students in the Mt. Hope and Southern W.Va. area. Since our inception, we have awarded 7 college scholarships. The Richard Eubanks Athletic Scholarship - was presented to Jalen Jones who will attend Genesee (N.Y.) Community College. Academic scholarships were awarded to Peyton Jones, who will attend West Virginia University, and Nick Oxendale, who will attend WVU Tech with an emphasis in science and engineering..

Congressman Nick RaHall presented the scholarships at the Board of Directors Annual Picnic

The President's Corner

To All our Members and Supporters,

As we celebrate our four years of coming together, working together, and staying together with equal success; I say thank you all. Thanks for your loyalty, your time, your labor and your financial support.

MOHO continues to support Mt. Hope Elementary School

The students of Mount Hope Elementary recently participated in two fun filled learning field trips. Grades K-2 were able to practice fair play, cooperation, large muscle activities, as well as math computation all at the Beckley Bowling Alley. The students in Grades 3-5 learned many lessons pertaining to animals including: their habitats, eating patterns, and unique qualities at their recent trip to the Safari Park in Virginia. Both of these learning outside the school environment activities were made possible by the generosity of the members of Mountain Of Hope Organization who subsidized both these ventures. The students and staff at MHE were very appreciative of the kindness displayed by the MOHO organization. If the smiles, excitement, and fun shared by all are any yardstick of success then our MOHO "hit it out of the park!"

We have come a long way in our four years. Our first scholarship in the year of 2012, and now being able to award three scholarships in Academic, Science/Engineering, and The Richard Eubanks Athletic Scholarships in 2014. Thank you for giving back.

I am very excited about our planned meeting with all the Clergy in Mount Hope on Saturday August 23rd. This meeting will be geared to bring the clergy together and talk about their visions for the city of Mount Hope. Keep pushing on, the blessing is already here, just believe and reach for it. Being a blessing to someone is a blessing for all.
