

The following students were recipients of the Mountain of Hope Organization Scholarship during the Oak Hill High School Awards Assembly on May 2, 2024.

Lily Zukowski is Valedictorian of her class where she has displayed leadership and academic prowess in Fayette County Teen Court, Health Science and Tech Academy (HSTA) as well as Governors Honor Academy. Lily plans to attend Marshall University majoring in Biology and Psychology. After graduation she plans to attend medical school and become a Pediatric Psychiatrist for children with autism spectrum disorders.

Riddick Kincaid was a four-year participant in Fayette County JROTC where he excelled as company commander. He has been an active participant in the welding program where he has honed his conceptual thinking mathematical skills. He will continue using his mathematical prowess by enrolling at Bluefield State University and majoring in Mechanical Engineering and minoring in Electrical Engineering.

Elijah Gray will be attending Concord University where he will be playing football and majoring in Exercise Science. His goal is to not only become a first-generation college graduate but also to give back to his community by becoming a coach.
